
State Teachers College
Mansfield, Pennsylvania

Summer Session
1928

Summer Session of 1928

DATE OF OPENING—The summer session opens Monday, June 18, and closes Saturday, July 28—six weeks in length. Students should plan to reach Mansfield not later than the evening train on Monday, June 18. Do not come before June 18. Students who arrive Monday morning and early Monday afternoon will have an opportunity to register on Monday afternoon between the hours of 1 and 4. Classes will begin Tuesday afternoon.

REQUIREMENTS FOR MATRICULATION—Graduates of approved four year high schools, who can present evidence of having completed sixteen Carnegie units may be admitted. If entering for the first time, they must present complete high school record on a form which will be furnished on request.

Students must be of good moral character, and their acceptance for admission is conditioned upon their accord with the school regulations governing conduct as befits prospective teachers.

Students must be in good health; and not incapacitated by serious body or speech defect.

We advise all prospective students to be vaccinated for small pox; and to have had serum treatments as approved by the medical profession, for

diphtheria and scarlet fever, unless having been rendered immune by having had the disease. These precautions may eventually save you much loss of time, both as student and as teacher, besides being a safe-guard to health.

A student once admitted must establish himself as satisfactory. He must show that he has the capacity to do academic and professional work of college grade, and that he is in accord with the ideals of teacher training.

For a more detailed statement of requirements for admission and for credits permitted teachers in service, see pages 25, 26 and 27 of the annual catalog, February, 1928. You may have a copy on request.

EXPENSES AND FEES—There is no tuition expense. Board is \$8.00 a week, six weeks, \$48.00. Enrollment fee \$10.00 for dormitory students and \$12.50 for day students.

(See elsewhere in the catalog state regulations regarding fees). The enrollment fee is to be paid when room is reserved in the dormitory. Books must be purchased. They will probably cost not more than \$5.00. Laundry fee, \$1.00 (dormitory girls only.) Health fee, \$3.00. An extra fee of \$1.00 for

enrollment will be charged everyone who enters after Wednesday, June 20. The full expense of the summer session must be paid on the day of registration.

CREDIT SECURED AT SUMMER SESSION—By action of the Board of Principals of State Normal Schools and State Teachers Colleges, no student will be allowed to secure more than seven semester hours of credit in the summer session. Students are advised to take but six semester hours, but one additional hour may be taken by special permission. All of the work is of collegiate grade, and college standards will be maintained.

STUDIES OFFERED—Practically all of the work of the Regular College year will be offered in the coming summer session. Classes in any subject will be formed, provided there is sufficient demand.

WHAT THE STUDENT NEEDS TO PROVIDE—All rooms are completely furnished. Floors are hard wood. Students must provide napkins,

towels, pillow-slips, sheets for single beds, and sufficient blankets or comfortables. The college does not provide any bed covers. Mansfield is in the hills and the nights are cool. Two blankets are not too many. Every student must have a laundry bag. All personal articles of clothing, sheets and towels, should be distinctly marked with printed name, according to the

following directions demanded by the Mansfield Steam Laundry, which does our work under contract. Otherwise the Laundry assumes no responsibility in case of lost articles:

1. All students (girls and boys) and faculty are required to use woven name tape on everything sent to the laundry. This tape may be purchased at most department stores or at supply houses. Or you may send to: J. & J. Cash, Inc., 66th St., South Norwalk, Conn., who advertise the following prices—3 dozen name tapes, \$1.50; 6 dozen, \$2.00; 9 dozen \$2.50; 12 dozen, \$3.00. Buy a supply large enough to last for the year.

2. Woven name tape should be stitched beside manufacturer's brand on shirts and underwear. On more delicate lingerie, tape should be stitched under the arm.

3. All articles should be marked before student enters the college, as no arrangement can be made at the college for doing this, except by the student himself.

Please note that printed name on a tape is what is expected, and not a name written in indelible ink, which in time fades away, and causes loss of article

IMPORTANT—On the day you enter, bring in your hand bag or suit case two sheets and a blanket. You need these the first night, as your trunk may be delayed. Or, if you prefer, send two sheets for single bed and a pair of blankets by insured parcel post, addressed to yourself, in care of the State Teachers College, Mansfield, Pa., and we will place this package in the room assigned to you.

2. Every piece of baggage should be carefully marked with the student's name and State Teachers College, Mansfield, Pa., to insure delivery to student's room.

3. Students coming by automobile will find excellent concrete roads. The Susquehanna Trail and the Roosevelt Highway cross at Mansfield. The

macadam road from Elmira to Mansfield by way of Jobs Corners has been completed. The morning train on the Tioga division of the Erie Railroad from Elmira to Mansfield has been taken out of service, and has been replaced by auto bus, which

leaves the Erie station at about the same time as the train did. There is also bus service from Williamsport, from Wellsboro, from Towanda and from Troy to Mansfield, so that a student will find ready accommodations. Our office will give you definite information on request.

4. Students are asked to have \$1.00 key (deposit) fee separate and ready on the day of their arrival. This will greatly aid the office in placing

you in your rooms at a time when hundreds are arriving together. If you will do this there will be no confusion. When you secure key to your room, ask for the \$10 reservation fee you have paid. You then pay this with your other fees at the Bursar's office before being admitted to classes. This key fee is returned when you bring the key back to the office at the close of the summer session.

DAY STUDENTS

(a) Students who do not live in the dormitory nor eat in the dining room pay the enrollment fee and buy their books, on the opening day of school.

(b) Students who do not live in the dormitory but do eat in the dining room pay, on entering, for the six weeks in advance, at the rate of \$5.00 a week, when in for a full session. If less than the full session, at the rate of \$5.50 a week.

(c) Enrollment fee is \$12.50.

All other accounts of day students are to be paid at their boarding places.

Students Interested

The following classes of students may be interested in the summer courses at Mansfield:

(1) Present holders of Partial Elementary Certificates who must continue to add subjects until they have earned the Normal or the Standard Certificate. **No new partial certificates will hereafter be granted, so that no student will be admitted to any of the colleges the coming summer with this objective in mind.**

(2) Standard certificate holders who desire to work toward a Normal certificate.

(3) Teachers who are normal school graduates and desire to pursue post graduate work, leading to a degree. These will find sufficient offerings of subjects in every curriculum group and field of teaching.

Subjects Offered At Summer Session

REGULAR COLLEGE

When this bulletin was being prepared the following tentative schedule was arranged, to fit the needs of the students who are progressing toward a standard or a normal certificate, or toward a degree in either the elementary or the secondary field. Changes in this will be made, if necessary, so as to provide whatever subjects may be requested by a group of students.

MR. BALCH: American Government; U. S. History or American History.

DR. BELKNAP: English (in the electives).

MR. CASS: Educational Sociology; and elective in Economics or European History.

MR. CHATTERTON: Oral Expression; The Short Story; (coaching of plays).

MR. CORNISH: Physiography or Astronomy; Teaching of Geography or Human Geography.

MR. CURE: English I and English II.

MISS ALICE DOANE: Two courses in Latin, according to demand.

DR. DOANE: Health and Hygiene.

DR. DOUGHTON: Principles of Education; Ed. Measurements.

DEAN FISCHER: Psychology.

MR. GRANT: Everyday Science; Chemistry or Physics.

MRS. McKINNEY: Nutrition.

DR. McNAIR: Calculus; Teaching of Algebra and Geometry.

MR. MANSER: French (as requested); Ed. Psychology.

MISS VROMAN: Music I and II; History of Music.

MR. RETAN: Technique of Teaching; Organization of the Junior High School.

MISS ROSS: Teaching of Primary Subjects; Teaching of Primary Reading.

MR. STRAIT: Educational Biology; Teaching of Arithmetic.

DR. WARREN: Introduction to Teaching; Guidance.

MR. WEBSTER: History of Ed. in Pa.; Teaching of Social Studies.

MISS WHEELER or

MISS BARNHARDT: Art I and II; History of Art.

MISS WINANS: Rural Sociology; Teaching of Numbers.

The Training departments will be in session for the full six weeks, for practice and observation, with the regular instructors, so that students may have an opportunity to earn credits in this field as follows:

Teaching, observation and conferences, five semester hours; Technique of Teaching, two semester hours. By doing this a student will have discharged one-half of his teaching requirements in the regular and college courses, and all of the requirements in Technique of Teaching.

The remaining teaching requirements may be discharged later by assignment to the campus schools or to Wellsboro, in a period of nine weeks. Both the elementary and the junior high school will be open.

MUSIC SUPERVISORS

Students interested in completing subjects in this curriculum, leading to the degree of B. S. in Music, may select from the regular college subjects listed above such as are required in this curriculum (see catalog or special music bulletin). In addition, Mrs. Grace Steadman, Director, and Dr. Will George Butler, head of the Violin department, will offer technical subjects of this curriculum, according to the needs of the applicants. For definite information, write to Mrs. Steadman and make known your desires.

HOME ECONOMICS

None of the technical subjects of this curriculum will be offered at the summer session, as there appears to be no demand for these; but students who have graduated from the old non-degree course and others who desire to secure the B. S. degree in Home Economics, will find sufficient subjects that are required, listed above, to enable them to earn six or seven semester hours of credit. (See catalog for Home Economics curriculum.)
